Subject: Continuance of an additional peon of Yelahanka Municipality Solicits sanction to the

I have the honour to state that on the report of the Amildar-President of Yelahanka Municipality to the effect that the services of an extra peon was necessary for the tarfa collection etc sanction was accorded in this office Memo No N Dis C2-3162/38-39 dated 24 2-39 to the appointment of a peon on Rs 8/- per mensem for 5 months only from 1 2-39 as a temporary measure This appointment was continued during the years 1939-40 1940-41 and 1941-42 also on the strength of the provision made in the budget No separate sanction has been obtained for the continuance of the appointment since 1-7-39

2 The Municipal Council has resolved at its meeting held on 23-11 41 that sanction of Government may be obtained both for the continuance of the appointment since 1-7-39 and also for the post being made permanent Both the Amildar President and the Sub Division Officer recommend that there is real necessity for an additional peon to this Municipality and that the resolution of the Municipal Council may be approved

3 The Municipal Council was wrong in having continued the services of the peon from 1 7-39 without proper sanction There is already one peon on Rs 10/- The collection work is attended to by the Shanbhog and Patel There is an Assistant Sanitary Inspector for supervision over sweepers and collection of octroi Besides Yelahanka is a small Town and the resources of the Municipality are very slender I am not in favour of continuing the services of an additional peon when there is no need for it The Sub Division

The Sub Division Officer has therefore been ordered to terminate the services of this additional son immediately

4 In the above circumstances I request that sanction of Government may kindly be obtained to the continuance of this temporary appointment since 1-7 1939 up to date

5 The connected records accompany for favour of reference and return

I have the honour to be
Sir
Your most obedient servant,

Deputy Commissioner
